The Riviera on Vaal Country Club

The luxurious Riviera on Vaal Country Club is located on the banks of the Vaal River in Gauteng and it is located a mere 45 minutes drive from Johannesburg, offering both its valuable members and guests an array of sporting facilities including squash and tennis courts, snooker tables, darts, a 9-hole pitch and putt course and the immaculate 18-hole golf course.

The 18-hole golf course is situated along the banks of the magnificent Vaal River and forms part of the 5-star Riviera on Vaal Resort. Once you arrive at this excellent Parkland layout on relatively flat land, the club and surroundings offer tranquillity and seclusion from the hustle and bustle of city life.

The course is an 18-hole par 72 with a course rating of 71 for men and 71 for women. A flood-lit 9-hole par 3 Pitch and Putt course lies next to the 18th hole.

Taking in sweeping views of the Vaal River from the historic club house at sunset, designed by the legendary Herbert Baker, is an experience to remember. Coupled with this, is the warm hospitality and friendliness of the people of the Vaal Triangle, as well as our highly trained staff who cater to your every need. The course itself boasts bent grass greens with Cynodan/Kikuya fairways and tees. There are many different and unusual holes, where the added feature of water attractions come into play.

The Vereeniging Country Club is one of the finest clubs of its kind in the country. Until 1938, Vereeniging's golfers who did not belong to Maccaulei Golf Course played on a nine-hole veld course, the greens consisting of circles of Kimberley blue sand. In 1936 The Vereeniging Estate, Limited, of which Mr. Louis Marks and Mr. Teddy Marks were Chairman and Deputy Chairman respectively, decided to lay out a championship course on the Transvaal bank of the Vaal River. Mr. Hugh Allison, a British golf course architect, was engaged for the job. The Vereeniging Country Club was formed on the 20th of September 1937. The club's first committee was elected and in March 1938, the total membership was 142. A year later the total membership had reached 356. The first ladies committee was elected on 13th February, 1940. The legendary Bobby Locke played the course regularly and included the signature 14th hole in his personal "perfect" golf course.

The Riviera on Vaal Country Club was officially taken over by the Zorgvliet Group on the 7th February 2005. The Riviera on Vaal Country Club (originally known as the Vereeniging Country Club) dates back to 1937 and has had an eventful and colourful history, having developed from the home of a millionaire into one of the finest clubs of its kind in the country. It was originally intended that the course should be one of the amenities of the then Riviera Hotel, but this idea had to be abandoned because of the restrictions imposed by the liquor laws of the land.

Zorgvliet Wines

Zorgvliet wines are available at the Zorgvliet estate and other 5-star destinations in the Zorgvliet Portfolio, including Ka'Ingo Private Reserve & Spa in the Limpopo Province and the Riviera on Vaal Hotel & Country Club in Vereeniging, as well as selected trade outlets.

Sauvignon Blanc

This varietal is found in many of the great wine growing regions of the world. The Sauvignon Blanc grape traces its origins to western France in the Loire Valley of Bordeaux Regions. At some point in the 18th century, the vine paired with Cabernet Franc to parent the Cabernet Sauvignon vine in Bordeaux. Depending on climate, Sauvignon can range from aggressively grassy to sweetly tropical.

Chardonnay

Chardonnay produces a diverse spectrum of wines. Flavours can be described as buttery, creamy, nutty, smoky and steely. Fruits often noted in the wines are apples, lemon and melon.

Chenin Blanc

Chenin blanc is a variety of white wine grape from the Loire region of France. Its high acidity means it can be used to make everything from sparkling wines to well-balanced dessert wines, although it can produce very bland, neutral wines if the vine's natural vigour is not controlled. Outside the Loire it is found in most of the regions; it is the most widely planted variety in South Africa, where it is also known as Steen.

Viognier

This cultivar originates from the northern Rhone valley. Viognier wines are well-known for their floral aromas, due to terpenes which are also found in Muscut and Rieseling wines. These wines are usually wooded. Aging these wines will often yield a very crisp drinking wine. The colour and the aroma of the wine suggest a sweet wine but Viognier wines are predominantly dry.

Semillon

Along with Sauvignon Blanc and Muscadelle, Semillon is one of only three approved white wine varieties in the Bordeaux region. The grape is also often used as the base for sweet wines such as those in Sauternes and Barsac.

Rosé

A Rosé (From French: "Rosé", Pinkish) is a type of wine that has some of the colour typical of a red wine, but only enough to turn it pink. The pink colour can range from a pale orange to a vivid near-purple, depending on the grapes and winemaking techniques

Sparkling Wine

Following the model of Champagne, sparkling wines are made throughout the world. The best of them use the method with a second fermentation occurring in the bottle. The wines are crisp, lively, and full of apple and yeasty bread scents.

R I V I E R A

Champagne

French champagne is without question, the finest sparkling wine made in the world. Champagne is the name of the wine region located about 90 miles northeast of Paris. Champagne can contain up to three different grapes: Chardonnay, and the red grapes Pinot Noir Meunier. Champagnes combine the complexities of fine grapes grown in some of the best vineyards in France with the intricate subtleties of yeast and sometimes even oak elements to create one of the most sensual taste experiences in the world.

Cabernet Sauvignon

The most successful and popular of the top quality red wine grapes, Cabernet Sauvignon is internationally grown because of its reputation for excellent structure, concentration and longevity. The wines display fruit such as cherries, black currants, and raspberries with flavours of mint, cedar, bell pepper and tobacco.

Cabernet Franc

Cabernet Franc is lighter than Cabernet Sauvignon, contributing finesse and peppery perfume to blends with more robust grapes. Depending on growing region and style wine, additional aromas can include tobacco, raspberry, cassis and sometimes even violets. It is also, along with Sauvignon Blanc, the parent variety of Cabernet Sauvignon.

Petit Verdot

Petit Verdot probably predates Cabernet Sauvignon in Bordeaux, but its origins are unclear. There are records of it in the eighteenth century but its characteristics suggest an origin in much hotter climates than the Gironde. A variety that delivers ink black wines with immense concentration.

Malbec

Malbec is a black, mellow grape variety originally grown in France, in the Loire Valley and Cahors. Well known as one of the six grapes used in the blending of red Bordeaux wine, it is increasingly celebrated as an Argentine varietal wine. It is also grown in the cooler regions of California. It has an extensive listing of synonyms, currently more than two hundred

Shiraz

The Shiraz grape has been grown in France since Roman times. Also known as Syrah, these tannic wines exhibit spice, white and black pepper, black current and plum characteristics.

Pinot Noir

Pinot Noir, otherwise known as the “heartbreak grape” is difficult to grow. The grapes are thin skinned, temperamental and sensitive to climate. The wines can exhibit an extensive range of flavours and styles, from sweet berry fruit to earthy and dry.

Restaurants

Matthews Restaurant

Matthews Restaurant, overlooking the Vaal River, offers superb country style cooking. The restaurant offers a relaxed yet elegant ambience. Sunday buffet lunches are also on offer. A delectable spit-braai is on offer every last Sunday of the month.

Matthews Terrace Café

Matthews Terrace Café, adjacent to the Matthews restaurant, is located outside on the terrace, and here the view of the river is breathtaking. The Terrace Café serves light meals daily including salads, delicious sandwiches, burgers, spuds, cakes and desserts, to name but a few.

Matthews Terrace Café is ideal for warmer days, business breakfasts, lunch and afternoon teas. Enjoy one of our specialised cocktails while choosing your favourite song on the jukebox every Friday afternoon from 5 until 7.

Zorgvliet Spa

The Zorgvliet Spa, located in a prime position at the 5-star Riviera on Vaal boutique hotel in Vereeniging, now offers its clients the latest innovative technology and products. The spa, is a private sanctuary with breathtaking views over the Vaal River and features six treatment rooms, nail salon, sauna and steam room.

The latest addition at the spa is the revolutionary CMS-Physio computerized micro current system, which was developed after ten years of extensive research by the European/South-African company Surgetronik. The system guarantees reduction in deep lines and wrinkles, enhanced skin hydration and elasticity, toning of facial muscles and improvement of sun damaged skin. Some of the 69 programmes of the CMS-Physio unit have a powerful repairing action on the skin cellular level, which has a distinctive effect on the slowing down of the ageing process on the face. Micro current accelerates circulation, which boosts cell metabolism to restore skin vitality, rejuvenation and detoxification.

The Zorgvliet Spa offers a uniquely professional approach to body care, well-being and facial therapy using the Algologie line of products. The Algologie philosophy is one of total body wellness, offering natural marine and seaweed preparations as well as botanical active ingredients for extraordinary effectiveness. This imported French line has recently launched their men's range of professional and retail products.

TheraVINE™'s patented process draws on extracts of the vine's powerful anti-oxidants (50 times the strength of Vitamin E and 20 times that of Vitamin C) which are known to successfully combat ageing as well as acting as an antidote to stress & pollutants. Containing powerful anti-wrinkle and cell wall-strengthening properties, TheraVINE™ is able to combat free-radicals to provide for a healthier, more beautiful skin & body. Distinctive to TheraVINE™ are the infusion of essential oils; consisting of aroma-therapeutic, organic and healing indigenous Cape botanicals which refresh, soothe and rejuvenate. TheraVINE™ - an extra-sensory range of next generation, vine-derived beauty from the soul of the Cape.

Highly trained therapists are skilled in performing treatments ranging from facial therapy, various massage techniques such as hot stone massage, cold marble therapy, aromatherapy and various other therapies. The Aroma hydro bath therapies as well as Vichy exfoliation have already become firm favourites for deluxe pampering sessions.

The Zorgvliet Group

The Zorgvliet Group was started in 2002, when property developer and entrepreneur Mac van der Merwe, bought the Zorgvliet wine estate in the heart of the Cape wine lands. The historic farm dates back to 1692 and is located in the beautiful Banhoek valley near Stellenbosch. During the same period, they bought the Ka'Ingo Private Reserve, an 8700-hectare farm in the malaria-free Waterberg region of the Limpopo Province.

In December 2003, the Riviera on Vaal Hotel on the banks of the Vaal River in Vereeniging was added to the group's portfolio of luxury, five-star destinations. The company also acquired a majority share in the King George Hotel in George and, with the acquisition of the Sure Zorgvliet Travel agency in 2004, established itself as a force in the local travel and tourism market. All destinations have received five-star grading from the South African Tourism Grading Council and with the group's internal travel and charter services, Zorgvliet offers seamless transfers between the various locations for the ultimate South African travel experience.

The Zorgvliet Property Developments division, which has over the past two years funded and concluded various development projects across South Africa, recently launched the first phase of a lifestyle property development project in the Waterberg region. The unique Dinkweng development offers investors the opportunity of owning a piece of Africa with the benefits of a big five game reserve without the ongoing responsibilities that are normally associated with such an investment.

The Zorgvliet Group acquired the Riviera Country Club adjacent to the Riviera on Vaal hotel and in May 2005 expanded their interest in the global travel and tourism industry with the acquisition of St Andrews Travel, one of the leading independent travel agents in the United Kingdom.

The Zorgvliet Group employs over 600 people and follows a strong policy of job creation and social investment with preferential employment from local communities, intensive in-service training and skills development programs and awarding contracts to local businesses. ZORGVLIET WINE ESTATE

Zorgvliet wine estate nestled in the beautiful Banhoek Valley near Stellenbosch overlooking majestic mountains and rolling vineyards offers luxury accommodation, conference facilities and a stunning wedding venue.

Zorgvliet boasts not only award winning wines but also eighteen 5 star vineyard lodge rooms and two restaurants. Here you can experience what living on a working wine farm is all about or you can simply indulge in the consumption of the fruit of the vine. You can even have a personalized wine label made while enjoying wine tasting and barrel sampling in the modern wine cellar.

The unique contemporary Cape Dutch architecture of the Herenhuis restaurant dated 1692 blends beautifully with the vineyards and the Simonsberg mountain as backdrop. Sundowners on the veranda of the Herenhuis is a must experience as is a scrumptious meal at this historic house turned restaurant. Le Pommier Restaurant is ever so slightly more casual but promise not to disappoint your taste buds.

Experience the magical ambiance of a mountain braai or picnic at the foot of Simonsberg. At dusk the valley becomes tranquil. The mountains are painted in the colours of our rainbow nation as the last rays of sunshine greets the valley good night. A magical indescribable sight and feeling that overwhelms you.

The magic of the Banhoek will be with you when retiring to your vineyard lodge overlooking the moonlit valley. Share our haven and you will never be the same again as you will become a beholder of the spirit of the Banhoek valley.

We also offer:

- ☞ Daily Cellar tours - Monday to Friday at 10:30 am and 2:30 pm and Saturdays at 11:00 am.
- ☞ Mountain braais (barbeques) with the most amazing view over the Banhoek Valley.
- ☞ Guided vineyard walks by a vine ranger - Monday to Friday at 4:30 pm.
- ☞ Breakfast walks - every Tuesday and Thursday at 7:00 am.
- ☞ A travel desk is available at the wine tasting facility.
- ☞ We can arrange daytrips, foreign exchange and car hire, etc. are also available at the travel desk.

KA'INGO PRIVATE RESERVE & SPA

Ka'Ingo - Luxury and relaxation form the cornerstone of our delightful offerings at one of South Africa's premier Private Game Reserve.

Ka'Ingo is one of South Africa's latest big five private game reserve; more than 4 000 head of game share the reserve with buffalo, leopard, lion, rhino and elephant.

Only three hours drive from Johannesburg and little more than an hour from Sun City or a 30 minute flight from Lanseria to our own 1,2km grassed landing strip where you will find this 8 700 hectare gem of the Limpopo Province.

Thousands of years ago men first encountered wild animals in the Waterberg. Evidence of those first encounters can still be seen at the various rock art heritage sites. Intruding in nature is a very sensitive issue at Ka'Ingo.

Ka'Ingo Private Reserve & Spa offers the splendour of the South African bush combined with five-star pampering.

Ka'Ingo Main Lodge is situated in a green oasis – our gem of the Bushveld. The lodge is the largest, consisting of twelve queen sized bedded rooms, each en-suite, with mini bars, telephones, safe, tea and coffee making facilities, ceiling fans, iron and hairdryer.

Facilities at the Main Lodge include a dining area, ladies bar, pool deck, fire deck, lounge, coffee bar, and big screen television room equipped with satellite channels. The perfect setting for informal conferencing, staff incentives or a quiet getaway with friends and family.

Enjoy excellent cuisine prepared by our highly experienced chefs at the Main Lodge.

The Main Lodge's Five-star rating is evident in the quality of the food served within its tranquil surroundings.

The open plan bar, coffee bar and dining area overlook the gardens, where many species of game can be seen in the early morning and at night time.

Come home to River Lodge! Ka'Ingo's more intimate lodge, situated on the banks of the Mokolo River. The lodge consists of 9 queen sized bedded rooms. Each en-suite room is equipped with the following: safe, tea and coffee making facilities, free standing air conditioner, iron and hairdryer.

The rooms comprise of one Executive/Honeymoon suite overlooking the river. Relax on the deck, sipping a cocktail while watching the sun set in technicolour on the horizon. Facilities include pool, television room, bar lounge, barbeque area and dining area.
