A new Food and Beverage Operations Manager, Michael Craser, was recently appointed at the Riviera on Vaal Hotel & Country Club.

Michael previously worked at the Mount Nelson Hotel, the Cellar Hohenort Hotel as well as the Table Bay Hotel in Cape Town before coming to the Vaal Triangle. He completed his experiential training at Hotel Speer in Rapperswil, Switzerland, after graduating from the Cape Technikon in 1999.

He is working toward his goal, which is to gain as much exposure and experience before becoming a General Manager.

“In 5 years I would like to be the General Manager of a 5-star property, and in 10 years Operational Manager for a small group of 5-star properties,” Michael said.

Michael’s family, wife Judi and sons Sebastian (4) and Matthew (8 months) are enjoying life in Vereeniging.

“More sunshine and less traffic - it’s perfect for the family,” smiles Michael.
