# Abundance of information for brides-to-be

## Elsje Vermeulen

VEREENIGING. - All the necessities required for an unforgettable wedding day was highlighted at the Bridal Workshop hosted at the Riviera on Vaal Hotel & Country Club over the weekend.

The aim of the workshop was to show off what the Hotel has to offer as a wedding venue. Bridal Bliss Wedding Emporium partnered with the Hotel and a variety of other bridal service providers showcased as well.

Experts on subjects such as legal matters around a wedding, bridal

traditions and more were on point and all the questions and concerns of brides-to-be were satisfied.

Models displayed the stunning gowns, which gave the brides-to-be a wide variety of styles to choose from. Apart from this the ladies also enjoyed a cruise on the river and lunch. Lucky draw prizes further provided joy and excitement.

\* Ladies who missed out on this opportunity are welcome to contact Bridal Bliss Wedding Emporium on 082 887 2546 or 082 450 8107 for help and guidelines for a wonderful wedding day.
